For players WHO DO NOT CURRENTLY HOLD A COUNTY BADGE, yet wish to apply to get selected to play for the County - it is extremely important that they either - already hold a reasonable number of County Badge Points - or - participate in their Divisional Vice Patron matches where they can be seen by the selectors from all Divisions. These matches also give a good grounding for playing in County Matches as you play with players from other clubs.

Roughly how many Friendly VP matches did you make yourself available for?

How many Billingham League or Pullen Cup matches were you selected for?

If you did not play in VP Matches, Please indicate WHY not!
